

TRucker Mount brackets TRM series

Staffe TRM serie TRucker Mount

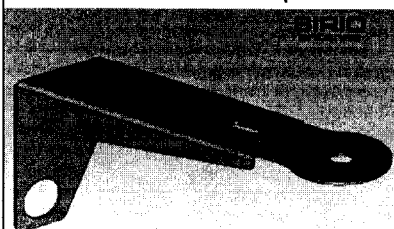

Strong brackets dedigned for the installation of CB antennas on trucks.

Made of high-strength steel, laser-cut and electropolished, they keep their robust characteristics unchanged allowing easy installation and simple calibration of the antenna on the truck.

Famiglia di staffe dedicate all'installazione di antenne CB sui mezzi pesanti.

Realizzate in acciaio ad alta resistenza, tagliate al laser ed elettrolucidate mantengono inalterate le loro caratteristiche estetiche e di robustezza permettendo una facile installazione e una semplice taratura dell'antenna sul veicolo.

TRM-3 (P/N 2522003.00)

(big antennas, grandi antenne)
Material: 2.5mm electro-polished stainless steel
Materiale: Acciaio inox 2.5mm elettrolucidato.

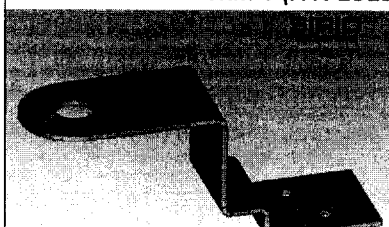

Mounting: (P) driver's side, sun visor upright
Montaggio: (P) montante aletta parasole lato guida

SCANIA

series from 2012 to 2017

TRM-4 (P/N 2522103.00)

Material: 2.5mm electro-polished stainless steel
Materiale: Acciaio inox 2.5mm elettrolucidato

Mounting: (C) driver's side, above the door by rivets
Montaggio: (C) sopra porta lato guida tramite rivetti

MAN

TRM-6 (P/N 2522203.00)

Material: 3.0mm electro-polished stainless steel
Materiale: Acciaio inox 3.0mm elettrolucidato

Mounting: (P) second upright sun visor on the driver's side. On DAF euro 6 on sun visor first screw driving side

Montaggio: (P) secondo montante aletta parasole lato guida. Su DAF euro 6 su aletta parasole prima vite lato guida

DAF
series XF euro 6

SCANIA
series FH

RENAULT
series T & CONFORT

TRM-7 (P/N 2522303.00)

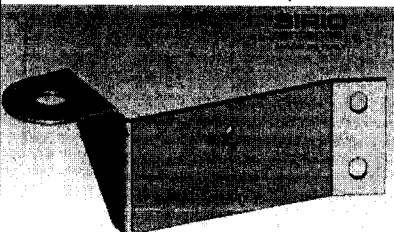

Material: 3.0mm electro-polished stainless steel
Materiale: Acciaio inox 3.0mm elettrolucidato

Mounting: (C) driver's side, above the door by rivets
Montaggio: (C) sopra porta lato guida tramite rivetti

MAN

series TGA, series TGA

TRM-12 (P/N 2522403.00)

Material: 2.5mm electro-polished stainless steel
Materiale: Acciaio inox 2.5mm elettrolucidato

Mounting: (V) by using two screws of the vertical upright on the driver's side door

Montaggio: (V) con le due viti del montante verticale sulla porta lato guida

IVECO

STRALIS, STRALINO, EUROCARGO

TRM-13 (P/N 2522503.00)

Material: 3.0mm electro-polished stainless steel
Materiale: Acciaio inox 3.0mm elettrolucidato

Mounting: (P) second upright of the sun visor on the driver's side

Montaggio: (P) secondo montante aletta parasole lato guida

FH 1a serie, 1st series FH

SIRIO
antenne

HI-QUALITY ANTENNAS MADE IN ITALY

TRM-19 (P/N 2522603.00)**MAN**

Material: 3.0mm electro-polished stainless steel
 Materiale: Acciaio inox 3.0mm elettrolucidato

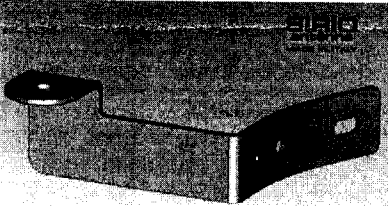

Mounting: (V) driving side, mirror spacer
 Montaggio: (V) distanziali specchio lato guida

TRM-22 (P/N 2522703.00)**IVECO**

STRALIS nuova serie, new series

(big antennas, grandi antenne)
 Material: 3.0mm electro-polished stainless steel
 Materiale: Acciaio inox 3.0mm elettrolucidato

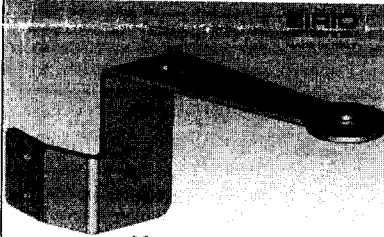

Mounting: (V) driver's side, by the two screws of the door's vertical upright
 Montaggio: (V) con le due viti del montante verticale porta lato guida.

TRM-23 (P/N 2522803.00)

nuova serie FH, FH new series

Material: 3.0mm electro-polished stainless steel
 Materiale: Acciaio inox 3.0mm elettrolucidato

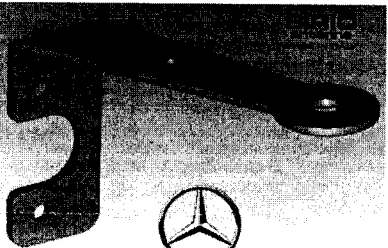

Mounting: (P) first upright of the sun visor on the driver's side
 Montaggio: (P) primo montante aletta parasole lato guida

TRM-33 (P/N 2523003.00)**SCANIA**

anno 2017, year 2017

Material: 4.0mm electro-polished stainless steel
 Materiale: Acciaio inox 4.0mm elettrolucidato

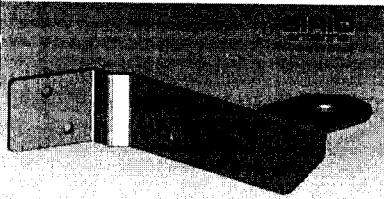

Mounting: (V) driver's side, vertical upright of the door by rivets
 Montaggio: (V) montante verticale porta lato guida tramite rivetti

TRM-42 (P/N 2523103.00)

ACTROS 2016

Material: 4.0mm electro-polished stainless steel
 Materiale: Acciaio inox 4.0mm elettrolucidato

Mounting: (P) driver's side, above the first anchorage of sun visor
 Montaggio: (P) sopra primo ancoraggio lato guida aletta parasole

TRM-52 (P/N 2523203.00)**DAF**

serie XF, series XF

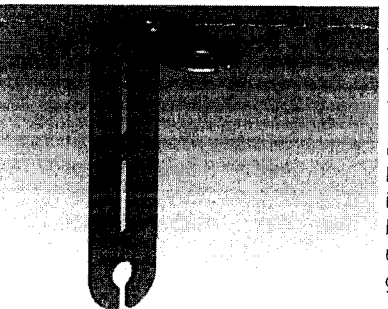

Material: 2.5mm electro-polished stainless steel
 Materiale: Acciaio inox 2.5mm elettrolucidato

Mounting: (V) driver's side door, with the 2 screws and 2 rivets (enclosed) on the vertical upright
 Montaggio: (V) porta lato guida, sul montante verticale con 2 viti e 2 rivetti (forniti).

TRM-111 (P/N 2523303.00)**IVECO**
EUROCARGO

Material: 3.0mm electro-polished stainless steel
 Materiale: Acciaio inox 3.0mm elettrolucidato

Mounting: (P) driver's side, above the first anchorage of sun visor
 Montaggio: (P) sopra 1° ancoraggio lato guida aletta parasole

M-2 (P/N 2503203.00)

Material: 2.5mm polished stainless steel
 Materiale: Acciaio inox 2.5mm lucidato

Mounting: universal bracket with unspecified installation
 Montaggio: staffa universale per installazione generica
